About Our Company

INTRODUCTION

Balisha Holdings is a multi-disciplinary engineering and logistics company, with proven capabilities over a wide range of different technical fields in the Civil Engineering & logistics Industry since 2020.

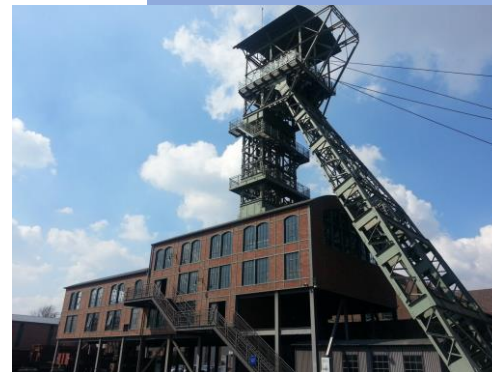

At Balisha Holdings we are known for excellence in a diverse range of markets. Our extensive experience in each and every realm is driven by the breadth and depth of our qualified teams, all who take pride in doing the best possible job for our clients.

Balisha Holdings

ABOUT US

Our team of employee-owners hails from every craft and expertise in the field, allowing us to combine innovative construction methods and accountable project management to get the job done and get it done right.

Balisha Holdings is a EME Level 2 contributor and this indicates our commitment towards compliance with our empowerment policies and processes.

COMPANY STRATEGY

- Our strategic objective is to deliver projects that fulfil the customer's specifications. These specifications include the project being delivered on time, within budget and complete legitimacy.
- Our leverage is derived from a wide spectrum of social groups and our expertise is to deliver medium and large projects in South Africa and Southern Africa.
- In order to fulfil our strategic objective, we apply a unique combination of design, construction and project management.
- We leverage our CORE COMPETENCE and EXPERTISE to deliver CIVIL ENGINEERING and LOGISTICS PROJECTS in South Africa and Southern Africa.

Balisha Holdings

COMPANY MISSION

To provide quality workmanship and customer service and maintain the highest level of professionalism, honesty and fairness in our relationships with our customers, employees and vendors. To grow by continually providing useful and significant products, services, and solutions to markets we already serve – and to expand into new areas that build on our competencies and customer interests.

Quality Service

Vision

To be the preferred contractor of choice. A company that our customers want to work with and our employees are proud to work for.

Environmental

Balisha Holdings believes that the quality of the air, water and soil should be protected for the continued benefit of all ecosystems. Thus, the needs of present and future generations will be met.

Balisha Holdings is committed to act responsibly and with due regard to the effects of its operations and services on the environment.

Protecting the environment is an obligation - not a choice.
